OBESE: Shifa al-Nima

FAT-WA!

Tubby ISIS boss dubbed 'Jabba the Hutt'

STAR WARS BADDIE: The real Jabba the Hutt

AN obese ISIS 'mufti' arrested in Iraq is so heavy that he had to be loaded onto the back of a truck to be transported.

Shifa al-Nima, considered one of the biggest captures in recent months, was hauled from his Mosul bolthole by Iraqi security forces after he was discovered.

Dubbed the terror group's 'Jabba the Hutt', the so-called religious leader issued fatwas – or religious rulings – that led to the execution of scholars and clerics, and the bombing of a mosque.

Photographs show the terrorist, who could not be transported in a police car, wedged against a mounted machine gun in the open back of a vehicle.

Iraqi police said the 'mufti' is considered one of ISIS's foremost leaders.

Executions

As well as ordering executions, he is also accused of ordering the destruction of an ancient cultural site, the tomb of the Prophet Jonah, along with other acts of cultural vandalism.

A Briton who fought against ISIS in Syria, Macer Gifford, tweeted: "I'm delighted to say that the Islamic State's very own Jabba the Hutt has been captured in Mosul. Responsible for the execution of men, women and children… this animal raped and murdered."

British activist and counter-extremist think tank founder, Maajid Nawaz, welcomed the arrest and said: "It is good that Syrians, Iraqis and others witness the debasement of this shit.

"That he is obese, immobile and humiliated is yet another blow to ISIS imbeciles who thought God was with them.

"Cue: Jabba the Hutt jokes. It was a good day for the Force and a bad day for evil."

I got Gwyn's minge candle stuck up my bum!

SUPERFAN: Malcolm and (*right*) the candle

SUNDAY SPORT EXCLUSIVE

By PENNY MARSHALL

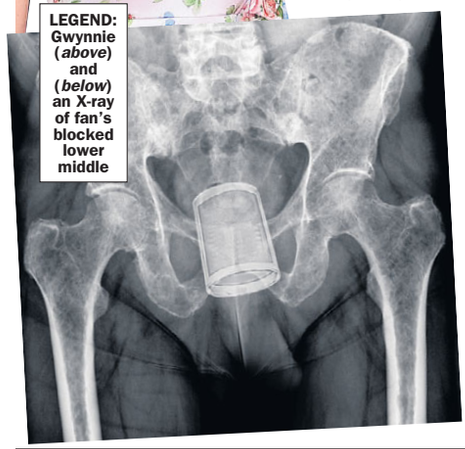
WHEN Hollywood star and snake oil vendor Gwyneth Paltrow began flogging a candle that smells just like her MINGE, fan Malcolm Ridley was first in the online queue.

The 35-year-old became obsessed with Tinseltown babe Gwynnie, 47, when she paid a tearful tribute to movie sex beast Harvey Weinstein at the 1999 Oscars.

So getting the chance to smell his idol's intimacy was a prize beyond riches.

Unfortunately after "some cider" Malcolm, of Crewe, Cheshire, decided to get even more intimate with Paltrow and in an act of proxy, wax-based lovemaking, he shoved the candle right up his BUMHOLE!

Unfortunately, the candle – delicately scented with geranium, citrusy bergamot and cedar with Damask rose and ambrette seed – is NOT designed to be used as an anal sex plaything.



LEGEND: Gwynnie (*above*) and (*below*) an X-ray of fan's blocked lower middle

Wedged

And it became solidly wedged in Malcolm's rectum.

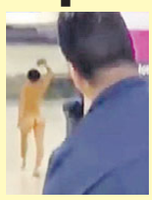
He said: "Imagine my embarrassment, turning up at casualty with a candle up my bum!

"The staff were very sympathetic but I'm sure they were thinking, 'Here's another pervert with a candle shoved up his arse'.

"After they'd pulled it out with forceps they were revolted when I said I wanted it back."

The £58 "This Smells Like My Vagina" quickly sold out on Paltrow's Goop website.

Airport stripper's shock takeoff



THIS passenger certainly looks like she believes in travelling light – after she was spotted doing a shocking striptease through Miami International Airport.

The unknown exhibitionist (*left*) is first seen wandering around the busy terminal barefoot in her undies.

And within seconds she is totally nude after ditching her lingerie – to the utter amazement of stunned airport staff and travellers.

In a 30-second clip posted on Twitter, the woman is seen singing in the baggage claim area.

One worker can even be seen craning his neck to get a better look in the video.

HE TAKES ALL THE WEEK'S NEWS & PULLS ITS PANTS DOWN

MONDAY

THE Royals meet at Sandringham for crunch talks over Harry and Meghan's future.

Our gracious Queen eventually allows the unhappy couple to move to Canada on one condition: Prince Phillip drives them to the airport.

TUESDAY

THE prattling PM launches a public appeal to raise half a million quid for Big Ben to strike on Brexit night – and keen Brexiteer MP Mark Francois immediately offers £1,000 of his own cash.

To be fair, he's not the first Tory who'd be willing to fork out for a dozen big, vibrating dongs.

Ann Widdecombe has surely got a bottom drawer full of them.

WEDNESDAY

COUNCIL chiefs in Birmingham say their city centre could soon become a car-free zone.

A place called "Brum" banning cars seems rather ironic.

What next? Tring bans alarm clocks? Holt bans drill sergeants? Cockermouth bans the cast of Love Island?

THURSDAY

TV presenter Sandi Toksvig announces that she's stepping down from hosting Channel 4's *Great British Bake Off*.

Well, that's Brexit for you.

After January 31, we can hardly have a show about British baking that's fronted by a lardy Danish pastry.

FRIDAY

THE Duke of Edinburgh Award scheme issues a new set of challenges to test the mettle of young people – and they include cooking a VEGAN meal.

Not sure the Duke himself approved that one. Although he's probably wishing he had warned Harry "don't put any meat or cream in it" after he met Meghan.

SATURDAY

SALES of vagina-scented candles rocket after the Hollywood star Gwyneth Paltrow launches her own pussy-ponged taper for a mere £50.

Of course, not all of the "fann-dles" being sold online are official Gwyneth Paltrow merchandise.

Most of them are own-labial.

Perv secretly filmed women in shower and using loo

A PERVERT admitted fitting cameras in the staff changing rooms of a bar to secretly film a woman.

John Cameron, 34, also confessed to fitting recording equipment in another victim's home.

At Aberdeen Sheriff Court he pleaded guilty to filming the women, without their knowledge or consent, between January 2015 and last April.

The Crown accepted not guilty pleas for two other similar offences.

He was added to the sex offender's register while awaiting sentencing next month.

Fiscal depute Katy Begg told the court his neighbour had confided in Cameron, who she had known when she first found a covert camera in her bedroom.

This led to him admitting in a note to being "infatuated" with the woman.

He was found to have 17 videos of the women – 13 of which were of the object of his "infatuation" and 100 images.

They included showing the women in underwear or without clothes on, including while showering and using the toilet – some recorded through keyholes or under doors.

Steph: My poo is embarrassing

STURDY BBC babe Steph McGovern has spoken of her shock at having her POO analysed by boffins.

The towering Teesside telly babe *(above)* underwent the process for a new BBC1 show, *Easy Ways To Live Well*, presented by Hugh Fearnley-Whittingstall.

New mum Steph, 37, said "I eat crap to keep me going when I'm working very early, but I was genuinely upset and embarrassed by what they found in my poo.

"I realised that, looking after myself, I was doing a terrible job.

"And then of course I got pregnant and you have to take the life of your child very seriously.

"It's not all about you and cutting corners because you are tired."

WELCOME GNOME

SHOCKED Muriel Gryce, 87, found condoms stretched over the heads of all 400 gnomes in the front garden of her house in Canterbury, Kent.

ROYAL CHANGE: Trolls see Harry and Meghan as future porn stars

LEAVE THE Vile image is 'work of Russians' say experts

VILE trolls have sickened Royal watchers with the OBSCENE suggestion that Harry and Meghan could be PORN STARS to fund their new "financially independent" lifestyle.

The fiends have backed up their revolting suggestion with a FAKE picture showing the ginger prince anally penetrating his wife with the shaft of his PENIS!

By SIMON DEAN
news@sundaysport.co.uk

The image has been shared widely online and was sent to *Sunday Sport* by a concerned patriot.

Experts say the realistic-looking image was created using space-age computer software "almost certainly" of Russian origin – leading to speculation that Moscow is attempting to use the rift in the Royal Family to destabilise Britain ahead of a possible INVASION!

One security expert – who asked not to be named for fear of Kremlin reprisals – shuddered: "The people who shared this image probably thought it was a bit of a joke.

"But I wonder if they would have been laughing if they'd known this photo was probably conjured up in a Moscow image lab by experts working for the Russian security services.

PERVERT CAUGHT SNIFFING MEGHAN A RIGHT RUMP

SUNDAY SPORT EXCLUSIVE By BRAD CHADWICK

THE announcement by Prince Harry and his wife Meghan that they're stepping away from the Royal Family to live a more independent lifestyle has stunned the world.

Most shocked was Her Majesty The Queen, who had not been forewarned about the bombshell news by her favourite grandson.

The 93-year-old monarch summoned members of the Royal Family to Sandringham to discuss the matter at a "summit" meeting.

But while the Establishment may have been shaken by the earth-shattering move by the Duke and Duchess of Sussex, for staff at Madame Tussauds London it was just another day.

Snorting

Without fanfare or ceremony, waxworks of the happy couple were quietly removed from the royal family display.

For one pervert, though, the banishment of Meghan and Harry to a quieter part of the museum is a dream come true.

Clinton Dennison has long harboured a desire to sniff the backside of Meghan's wax likeness – but until now had been thwarted by huge crowds around the Royal exhibit.

On Thursday, he saw his chance to get close to the newly-detached couple.

Phone footage shows the 35-year-old oddball,

THEM FAKE ALONE!

"The Russians know that to successfully invade Britain, they need to demoralise us.

"They have taken the storm caused by Meghan and Harry saying they want to quit and used it to lever their way into Britain's morale.

"I bet that this fake photo was seen and signed off by Vladimir Putin himself.

"Britain should thank *Sunday Sport* for exposing this plot to strike at the heart of Britain's body-politic."

SUNDAY Sport SHOCK EXCLUSIVE

REAR-LY SHOCKING: Fake image of Harry up Meghan's bum

I'S WAXWORK ARSE

ROYAL US

SERIAL SNORTER: Clinton Dennison had his evil way with Meghan

from Crewe, Cheshire, deeply snorting at wax Meghan's hindquarters while performing a personal act that's too upsetting to describe in a family newspaper.

An insider said: "To be honest, this isn't the first time we've seen strange or hideous acts committed against our waxworks.

"We've had visitors feel up exhibits before, but this is the first time we've had to cope with a sniffing incident.

"To be honest, a quick sniff is not going to do much damage – less damage than touching, that's true.

"But it was the other stuff he was doing, that was troubling.

"And the noises, good god, the noises. And that's before we even talk about the smell."

It's believed that Dennison, as usual, fled when challenged, making his trademark "bleating" sounds.

Last night back in Crewe, he refused to answer questions and threatened to report *Sunday Sport* to the Press ombudsman.

I WANT JAMES CORDEN!

Meg set for bombshell interview with tubster

WANTAWAY royals Meghan and Harry are lining up tubby comic James Corden for a tell-all interview on American TV.

The troubled ginger and his American wife are fed up of cutting ribbons and shaking people's hands for a living and are determined to make a new life in Canada.

But quitting the royal family has not been as easy as they thought and has left their reputation in tatters as the nation turns against them.

So they want to rebuild their image with an interview that will tell their side of the story.

And they think Brit funnyman Corden, who hosts a chat show in America, would be the perfect person to interview them.

They are expected to earn around £5million, as the chat will be sold around the world after premiering on US TV.

Corden himself will earn seven figures for his role in the show and will be expected to give the pair an easy ride.

A source said: "They have learned the lessons from Uncle Andrew's disaster of an interview with Emily Maitlis from Newsnight.

"They don't want a political heavyweight quizzing them. They want someone who will give them an easy ride.

"And they will make a bloody fortune."

Deaf man sues PornHub over 'no subtitles'

A DEAF man has filed a lawsuit against popular adult video website PornHub, claiming the grumble firm doesn't provide subtitles on its videos.

Yaroslav Suris is suing Pornhub, which hosts millions of adult videos, claiming the site's lack of subtitles violates the rights of deaf and hearing impaired under the Americans with Disabilities Act (ADA).

The ADA prohibits discrimination against people with disabilities in areas of "employment, transportation, public accommodations, communications and access to state and local government programmes and services".

Suris complained the movies *Hot Step Aunt Babysits Disobedient Nephew*, starring Sofi Ryan *(above)*, *Sexy Cop Gets Witness to Talk* and *Daddy 4K – Allison comes to Talk About Money to Her Boys' Naughty Father* didn't have subtitles.

Sex Education star's poo-chat confession

ACTRESS Aimee Lou Wood says she's shy about talking sex – even though she loves chatting about POO!

The Stockport-born *Sex Education* star said: "I am the least private person.

"I can talk about poo and bowel movements – anything that's gross and funny and rude and ugly and self-deprecating is easy breezy.

"But talking about sensuality, enjoying sex? I find it all really cringe. *Sex Education* made me realise my own discomfort."

Last season, her character Aimee Gibbs wowed viewers with many of the best lines, such as: "I've been wanking all night. I ate four packets of crumpets, and I think my clit might drop off."

The show, with Gillian Anderson in the lead role, has been a massive hit, attracting 40 million viewers worldwide on Netflix.

Aimee (*left*) added: "The very first scene you see of my charcter Aimee, she's having sex and trying to be a porn star."

Charlie: Wasps went for my stingbridge!

HOLLYWOOD heartthrob Charlie Hunnam – who shot to fame in Channel 4's groundbreaking *Queer as Folk* – has revealed how he was stung by a wasp between his balls and bumhole!

Charlie, 39, said he was camping when he went out to collect wood, only to stumble upon a wasps' nest, with the insects inside turning angry when he accidentally kicked it over.

The *Sons of Anarchy* actor, who stars in Guy Richie's new film *The Gentleman*, said: "I saw three trees fallen into a triangle, and in between those trees was the motherload of firewood.

"I got up and I was crouched down picking it up, when all of a sudden… wham!

"Like a snake bite in the perineum."

After explaining that the perineum is the "sweet piece of no man's land between the anus and the scrotum", the *Pacific Rim* star went on to reveal the sensation was in fact caused by a swarm of "yellow jackets", another name for wasps.

Newcastle-born Charlie said: "I kicked my shoes off, and I took all my clothes off, and then put my shoes back on and started sprinting completely naked.

"For many years I had this recurring nightmare that I was sprinting for my life naked in a forest."

Love Islander: I've never had orgasm

LOVE Island beauty Yewande Biala has revealed that she's never experienced an orgasm.

Yewande, who appeared on last year's series of the hit ITV2 dating show, made the confession during a discussion with her co-stars Amber Gill and Anna Vakili on the podcast *Reality Check*.

The 23-year-old said: "I've never had an orgasm before… I'm deadly serious", adding that she has never climaxed either during sex or "by herself" – and that she refuses to fake it.

Her fellow Islanders then went on to praise Yewande's honesty, and point out that the young biochemist's confession may be a comfort to other women in a similar position.

"Do you know how many girls are going to relate to you and be like 'OMG, I'm not on my own… this girl's on *Love Island* and she hasn't had an orgasm'," Anna said.

As many as one in three women have trouble reaching orgasm when having sex, according to Planned Parenthood statistics.

OUR BABE GETS HER TWEETS OUT FOR BOOKSELLER JOHN

VISIT: We sent beauty Karina Holmes to see John at his home

By SIMON DEAN
simon@sundaysport.co.uk

BOOKSHOP boss John Westwood became an unlikely celebrity last week – for not selling any books!

John, who owns the 100-year-old Petersfield Bookshop in Hants, tweeted the store had a "tumbleweed" day in which it had not sold a single item.

The tweet was then retweeted more than 7,000 times – including by author Neil Gaiman, who co-wrote *Good Omens*, which has been made into a BBC TV series.

WRITER: Neil Gaiman

And it then led to a surge in orders at the shop.

John said he had been "overwhelmed" by the public's response, adding: "I believe in this industry, but online ordering and Amazon has hit us hard.

"I've had to sell my flat to keep the store afloat and most evenings sleep on a camp bed in the shop.

"We have lots of big plans for the future, on how to expand and grow – we just need to get there first."

But it's not the first time that John's been in the news…

Bugle

Back in 2006, killjoy Wembley bosses banned the fanatical Pompey fan from playing his trademark drum and bugle at Portsmouth's FA Cup semi-final victory over West Brom.

So we sent 34C beauty Karina Holmes to John's home to cheer him up.

Epstein pimp 'threw dog at knicker party'

JEFFREY Epstein's "pimp" Ghislaine Maxwell hosted a tea party in her bra and panties and hurled a puppy across the room while fanning herself with a magazine, a former friend recalled.

Writer Christina Oxenberg – sister of *Dynasty* babe Catherine – said the encounter took place in New York in 1991, soon after Ghislaine's dad Robert had topped himself.

Christina said: "She phoned and asked me to tea. Ghislaine presided in a white lacy bra and underwear set and lots of jewellery.

"She explained the lack of clothing was because she was hot and it was summer.

"She fanned herself with a copy of *Vogue*. There was also a baby Yorkshire terrier named Max, which Maxwell had been gifted. More than once she threw the quivering little bundle violently across the room."

High risk inmates handed Freeview

PRISONERS have been rewarded with Freeview boxes after complaining they were bored of just nine channels on the TVs in their cells.

Bosses at HMP Buckley Hall, a 450-capacity training prison near Rochdale, Lancs, decided to give lags – 70% of whom are considered a 'high risk' of harm to others – the chance of snapping up the £30 Freeview boxes.

The gadgets have around 70 channels on them and claim to show 95% of the most-watched telly shows in the UK.

Inmates pay £1-a-week for an in-cell TV, but after a crackdown on prisoner perks by the Government in 2013, TVs were limited to nine channels including BBC1, BBC2, ITV1, Channel 4, Channel 5, ITV3, E4, Film 4 and ITV4.

VEGAN BURGER KILLS MEAT MAD MICK

Suicide after just one bite

COOKING HELL: Mick was happy before one trick burger led to death

PIC: ©Facebook

COMMITTED carnivore Mick 'The Meat Man' Hanley loved eating animals so much he even ran a blog about his experiences eating at restaurants around the country.

The 31-year-old graphic designer claimed his meaty diet was a "philosophy" and "way of life" and reckoned eating a well-cooked burger was the closest man could come to God.

So when he was tricked into eating a meat substitute vegan burger by a cruel restaurateur in Birmingham, his world fell apart.

SUNDAY SPORT EXCLUSIVE
By GARY DORAN

The prankster, who cannot be named for legal reasons, was a fan of Mick's blog and thought it would be a 'right laugh' to fool him into eating a soya-derived protein burger by telling him it was beef.

Drinking

He had no idea the joke would lead to Lancaster lad Mick's suicide.

When Mick walked out of the unnamed restaurant his life descended into chaos.

He stopped working, started drinking and experimented with hallucinogenic drugs.

Several times he was found buried up to his neck in his allotment, declaring: "I'm a carrot, pull me up."

In the final tragic post on his blog, now removed by family members, he wrote: "The damage has been done.

"I was tricked into betraying my religion, my philosophy and I must pay.

"I feel like some vegan c**t. I hate myself."

The remains of Mick's body were found at a pig farm near his home.

A friend of the family said last night: "A man has died because of a vegan agenda. It's sickening."

Love Island Zara nude photo leak hell

PRICE OF FAME: Zara is a target for hackers

LOVE Island beauty Zara Holland is at the centre of a nude photo leak after a snap – apparently of her – in the bath appeared on a notorious website.

The busty 24-year-old former Miss Great Britain appeared in the 2016 series of the show, catapulting her into the reality TV stratosphere.

But the fame has made her a target for hackers and the photo – purporting to be Zara – appeared on the site last week.

There is no way to know for certain if the photo – which we are unable to show for legal reasons – is genuine but it certainly looks like her.

A pal of the Hull-born beauty said: "If these photos are genuine, it is a terrible violation of Zara's privacy."

THE VOICE OF YOUR BRITAIN

We refuse to give Meghan a bum deal

THIS newspaper has NEVER joined in the cruelty directed against Meghan, Duchess of Sussex.

Unlike some less-enlightened Fleet Street rivals, we celebrated her guest editorship of Vogue magazine, in which she promoted female icons.

We thrilled as she jetted around the world with her husband, encouraging the rest of us to use less carbons.

We shared Meghan's delight as she urged us to help the downtrodden and the needy and the sidelined.

So we took no delight when the young couple decided to stand aside from a senior role in the Royal Family.

We certainly applauded their brave decision not to worry Harry's aged grandmother by telling her of their plans in advance.

Our rivals have led the charge against Meghan, accusing her of unduly influencing Prince Harry and leading him away from his Royal destiny.

But Harry and Meghan are under attack from forces far more sinister than the Press.

This newspaper has found evidence that FAKE pictures showing Prince Harry performing an act of anal intimacy with his wife are the work of RUSSIANS.

In the dark and lamentable history of mankind, rarely has such a vile trick been played by a supposedly-civilised nation.

We should stand together as a nation, stand solidly behind Harry and Meghan and send a message to cold-eyed Vladimir Putin:

Your fake Meghan bumming pictures will not rattle our national cage!

Naked date man's stiff Attraction!

NAKED Attraction fans went into meltdown when they spotted one of the contestants had cracked a STIFFY!

The C4 dating show asks one contestant to choose from six possible dates, whose nakedness is then gradually revealed.

Singleton Laura got her pick of six hunky men – behind the blue screen was Dave, 24, from Derry, who works as a door supervisor.

And viewers spotted he appeared EXCITED to be on the telly!

After Laura and host Anna Richardson ventured over to the man, they were both shocked, with cheeky Anna referring to it as somewhat "like a donkey".

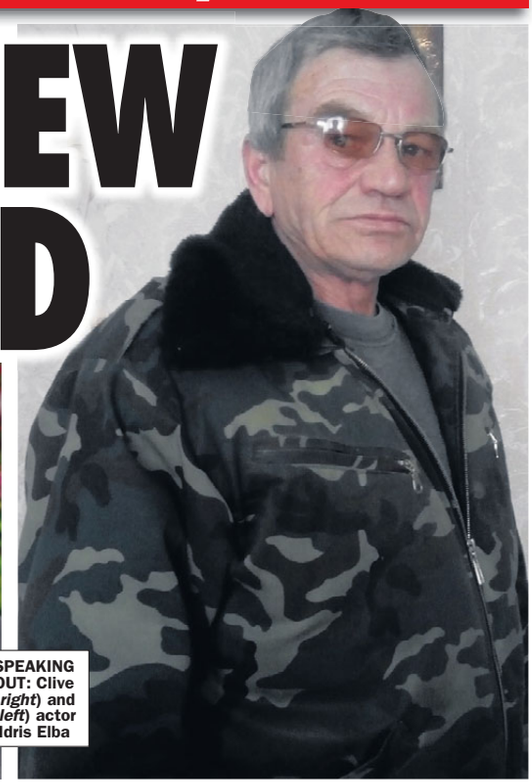
And with the pair overwhelmed with what was in front of them, Anna then asked Laura what she usually goes for.

Laura responded saying girth is more important than length as "who wants to be poked by a HB pencil".

THE 007 SPECULATION IS OVER, FOLKS...

I'M THE NEW JAMES BOND

DEPARTING: Current Bond actor Daniel Craig



SPEAKING OUT: Clive (*right*) and (*left*) actor Idris Elba

FORGET Idris Elba, and Tom Hardy – THIS is the man who will be replacing Daniel Craig as 007!

By BARNEY SAMUELS
news@sundaysport.co.uk

Clive Perkins said he "had to speak out" and blow the biggest secret in showbiz as "constant speculation about the identity of the new James Bond is damaging the brand".

Clive, whose acting credits include a bit part in *Doctors*, a walk-on role in *Heartbeat* and "Onlooker #2" in a 1989 episode of *Inspector Morse*, says he signed the contract to become Bond after Craig's departure.

No Time To Die, which will be released in April, marks Craig's final outing as 007.

Clive, 56, of Leek, Staffs, explained: "There's always been speculation about who is going to be the next actor to pay 007 – that's as old as the role.

"But in recent years, the issue has become entangled in so-called 'identity politics', with suggestions that the new 007 should be a woman, a member of an ethnic minority or even a gay.

"Well, for my money, that sort of speculation damages the brand and I don't want to spend my time in the role defending my 'white privilege' – or whatever snowflakes call it these days.

"I'm a white, straight man – just like the James Bond that author Ian Fleming created."

He added: "Obviously, I was sworn to secrecy after I signed a contract but real damage is being done to the James Bond brand and I felt I had to speak out to protect it."

Last week producer Barbara Broccoli waded into the speculation row over Craig's replacement, telling industry newspaper *Variety*: "James Bond can be of any colour, but he is male.

"I'm not interested in taking a male character and having a woman play it."

£25k for hot minge at McDs

A WOMAN whose thighs and MINGE were scalded when coffee was spilled in her lap at a McDonald's drive-through has been awarded £25k damages.

Ciara Corboy, 29, told Judge Francis Comerford that while being handed an Americano at the takeaway at the Mill Shopping Centre in Clondalkin, Co Dublin, a lid that had not been properly secured came off, causing the scalding in November 2017.

Noel Cosgrove, for Ms Corboy, told the court she suffered extensive burns and had to attend St James's Hospital several times to have her wounds treated.

Judge Comerford said he accepted McDonald's training policy of providing a cup carrier with every hot drink handed out had been breached, which tipped the decision in Ms Corboy's favour.

The judge said her injuries had not resolved for up to eight months.

Border cop sues lover over 'sex blackmail'

A BORDER guard is suing her former lover who accused her of blackmailing him into having sex, a court has heard.

Erin Weatherall, 36 (*above*), told she was first accused of being a sexual predator in 2017.

She had no idea at the time her accuser was lover Tony Kelly, who had begun a relationship with Ms Weatherall, of Brisbane, Australia, in January that year.

When Australian Border Force cops questioned Mr Kelly, after hearing he was having an extra-marital affair with Erin, he told them she had blackmailed him.

Mr Kelly allegedly told them: "She's been trying to blackmail me, threatening to call my wife and tell her about our affair and the pregnancy.

"She's blackmailing me so that she can have sex with me."

Ms Weatherall said: "I've never blackmailed anyone for sex."

MODEL DEBUT

BONKING BOBBY HAD SNAKE PORN

KICKED OFF FORCE: Simpson

A COP caught with SNAKE PORN has been sacked after visiting a woman for sex while on duty.

Barrow-based PC Matt Simpson admitted engaging in late night liaisons while the pair had a "casual relationship" between 2014 and 2016.

A misconduct hearing heard they got together after meeting online.

At the time, he was in a relationship with a long-term partner who was heavily pregnant and later gave birth to their child.

PC Simpson, 29, a keen local footballer, insisted that the sexual encounters happened around 15 times and only ever after shifts had finished.

But the woman, who hadn't made a formal complaint, told a misconduct hearing in Penrith earlier this week there were "more than 20" visits by the officer when he should have been working.

Taser

She said he arrived wearing a hi-vis yellow jacket and equipped with a body camera, handcuffs, baton, spray and Taser device.

The hearing heard that PC Simpson, who had been an officer for six years, initially joined Cumbria police as a special constable.

Last week he appeared before a three-strong disciplinary panel to face a string of allegations and stood accused of breaching the force's standards of professional behaviour.

By SUZIE SHELDON
news@sundaysport.co.uk

Members of the panel included legally qualified chairman Nicholas Walker, a senior police officer and an independent lay person.

They were asked to determine whether the sex meetings occurred after hearing evidence and considering a wealth of material.

He was also accused of possessing "extreme porn" from a WhatsApp group chat called Baldy Stag.

The porn included a video of someone having sex with a snake and a video of a stiletto heel being inserted into a man's penis.

Cumbria Police say possessing the images was "illegal and discreditable".

Simon Walsh, representing the constabulary, said the case had initially been passed to the Crown Prosecution Service.

"The CPS have decided, in this case, that it is not in the public interest to prosecute," he added.

However, the panel concluded it had found gross misconduct in relation to PC Simpson's on-duty sexual contact with Miss X.

They reached the same verdict in regard to searches he made for her on a police computer system in 2015.

PC Simpson told the panel that the searches had been made due to him being "personally curious".

He was dismissed without notice by the panel last week.

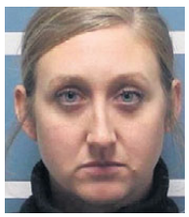
Bike thieves' beatings filmed and put online

A COUPLE were arrested for a string of assaults connected to a baiting scheme where they would attack would-be bike thieves with baseball bats – and then post the beatings online.

Corey Curnutt *(above)*, 25, and Savannah Grillot *(below)*, 29, were detained at their home in Visalia, California.

Both have been charged with numerous assaults with a deadly weapon and conspiracy



charges.

The local police department said the assaults began in July last year and continued through to November.

They said the couple then shared the assaults on YouTube.

Videos showed the would-be thieves attempting to steal the 'planted' bike – but not getting far before the suspects come chasing after them with baseball bats.

According to the police, the victims suffered non life-threatening injuries.

So far, only four victims have been identified.

Naked mum mauled by dog after romp

A NAKED mum was savaged by a dog moments after having sex with her boyfriend.

Veronica Jasso, 24, was mauled by the animal outside her home after she fled the house naked following a vicious row with boyfriend Joe Galvan, 25, shortly after they'd had sex.

Police sergeant Patrick Swanton said: "She was choking or strangling him.

"She saw us and she grabbed her baby and ran into the backyard."

Jasso, Galvan and the baby received hospital treatment after the brawl in Waco, Texas.

The couple have since both been charged with injury to a child.

PIG IGNORANT

AN abattoir worker in New Zealand who waved his willy at three women was let off after a court heard he had a brain injury caused by a PIG falling on his head.

OUTRAGE AS FRANK CARSON LOOKALIKE CROWDFUNDS FOR A NEW SEX ARSE

FUNNY: The real Frank Carson

DOWN ON HIS LUCK: Eric Nesbitt

EVERYONE'S crowdfunding these days. Folk blagging holidays to Disneyland, PM Boris Johnson raising cash to get Big Ben to bong on Brexit Eve, chancers and hard-luck cases – aplenty are using websites to scrounge a few quid.

But professional Frank Carson lookalike Eric Nesbitt's crowdfunding drive for a new SEX ARSE just takes the biscuit.

Eric, 68, from Newmarket, Suffolk, said: "I bought a Chinese-made sex arse a year back and it gave me hours and hours of great enjoyment.

"I even took it away on tour with me.

"And after a hard evening impersonating Frank Carson, I'd go back to my hotel room and have some vigorous relaxation with my precious sex arse.

Slack

"Unfortunately, after a gig in Morecambe, I went at it a bit hard and it broke. The synthetic sphincter just went on me, totally slack.

"I've just paid my tax bill, so I'm a bit short, but I need my sex arse.

"It's either that or I go back on the cider and that's no good, not at my time of life."

Eric has so far raised £1.49 towards his £63.65 target for a new "Realistic Vagina and Ass for Doggy-Style and Anal Sex Toy" sex arse.

He said: "There's a bit of a mountain to climb but I'm hoping that by talking to *Sunday Sport*, I can boost my fund."

But not everyone's happy.

Frank Jones, social secretary of the Frank Carson Appreciation Society, raged: "This man is making a mockery of Frank's treasured memory with his sex arse antics."

The real Frank Carson died in 2012, aged just 85.

Michelle's selling nudes to beat bug

FIT *Sunday Sport* stunna Michelle De Feo is selling nude photos to fund treatment she needs in the USA for terrifying Lyme disease.

Michelle wants to travel to Washington, where she hopes medics will alleviate some of her life-changing symptoms.

The 28-year-old, from Colchester, Essex, was diagnosed with the disease almost a year after complaining of wooziness and fatigue.

Michelle believes she may have been bitten by a tick in 2016 when she was surrounded by horses, deer and woodland.

She has now taken the unusual approach of selling nude photos on social media to raise the £6,000 she needs for the flight and treatment.

Michelle says she posts 'tasteful' photos, with many suiting fetishes – for example a selection of feet photos – and users have to subscribe to her account to see them.

So far, the 32DD beauty has raised £600 through her nudes and £800 through her GoFundMe page.

She hopes that sharing her story will also raise awareness of Lyme disease.

The bacterial infection can be spread to humans by infected ticks. It can be treated if diagnosed early.

Half-naked man tried to break in through dog flap

A SEX offender who had taken off his pants was arrested after trying to break into a woman's home – through the dog flap.

Leroy Vance was spotted in the yard by the woman, who immediately called police for help.

Officers arrived at the house shortly after the emergency call but the suspect fled on foot.

Police gave chase and apprehended him a short distance from the property.

Vance 48, of Fairfield, California, was booked into the Solano County Jail for parole violation, possession of methamphetamine, criminal trespass and resisting arrest.

Mucky miss sent fanny shave vid to student, 16

A HIGH school teacher sent a 16-year-old student a video showing her shaving her FANNY before begging for BUM SEX.

Anna Patton, 22, an English teacher, was arrested on charges of sexual battery with a student 16 to 17 years of age, disseminating obscene material to a person under 18 years and criminal solicitation of a minor.

According to arrest warrants, between October 1, 2019, and January 11, 2020, Patton (above) had sexual intercourse and oral sex with the teen.

The documents accuse the teacher at Lamar High School, South Carolina, of sending the boy text messages to entice him to have sex with her.

Attached to one message was a video showing the teacher carefully shaving her vaginal area of all its hair.

A later message read: "It's all nice and smooth – want to lick it before you f**k my tight ass?"

Couple raging over dog sex act claim

A COUPLE facing bestiality charges after allegedly committing a sex act with a dog say THEIR privacy has been invaded.

The act is believed to have taken place at their home on July 9, 2019.

It's alleged the 44-year-old man and woman, 54, filmed a sex act involving the female dog called Nala.

They appeared in court in Sydney, Australia, representing themselves.

The pair are yet to enter a plea and were bailed on condition they no longer have custody or care of any animal.

The couple were advised to seek legal counsel before they return to court on March 10.

Outside court, the man claimed the charges were an "invasion of privacy".

If convicted, the pair could be jailed for up to 14 years.

AND FOR YOUR NEXT SCENE... Fab four are viewers' number one sex fantasy

Audrey, Gail, Sarah-Lou & Bethany in group sex porno shocker!

SUNDAY SPORT EXCLUSIVE
By SARAH DILLON

***CORONATION Street* favourites Audrey, Gail, Sarah-Lou and Bethany, on their knees, arses in the air, presenting their related mimsies for a hunk with a 12-inch penis to penetrate one after the other...**

And, as an encore, the four famous females of the Weatherfield family being hosed down by a stream of scalding-hot SPUNK!

No, the *Corrie* soap writers have not gone mad, planning a special X-rated version of the ITV show.

It's actually the number one fantasy porn scenario uncovered by a survey of TVX viewers.

Those quizzed were asked the burning question: Which soap stars would you like to see make a porno?

Survey bosses were expecting the usual suspects – Helen Flanagan (Corrie's "Corrie Rosie") and Michelle Keegan (Corrie's Tina McIntyre) – to top the poll.

So they were more than surprised when thousands selected four generations of the same family – all getting bonked in a so-called "reverse gangbang".

A source enthused: "I think it shows the imagination of TVX viewers who like to think outside the box and dream up very exciting scenarios for the entertainment they want to see."

Last night, friends of Audrey, Gail, Sarah-Lou and Bethany (aka Sue Nicholls, Helen Worth, Tina O'Brien and Lucy Fallon) said the findings of the poll were "very interesting" but it was "beyond unlikely" that the four would do any porn.

COURAGE: Emergency services tackle Oz fires

THE fires in Australia have been raging on for months, destroying 15 million acres, displacing families, killing at least 20 people and scorching koalas.

One woman decided to raise money by offering nudes in exchange for donations to a disaster relief fund .

Kaylen Ward, 20, is a California-based model and online sex worker who goes by the name the Naked Philanthropist on Twitter.

By BRAD CHADWICK

On January 3, she posted a tweet promising to send nude pics to anyone who donated at least $10 to one of the organisations on her list for disaster relief.

Relief

She wrote: "Every $10 you donate = one nude pic from me to your DM. You must send me confirmation that you donated.

The tweet went viral and in a follow-up message, Ward said that her efforts resulted in her campaign raising nearly $1MILLION in just two days.

And, like all good ideas, it caught on.

As *Sunday Sport* went to print, at least half a dozen more babes had started raising money to help wildlife and communities ravaged by the devastating Aussie blazes.

Oz porn star Angela White wrote on Instagram: "I'm heartbroken by the devastating fires that are ravaging my home country. My thoughts are with everyone who has been affected by these fires.

Paid snitches are last thing that unis need

I LOVE eating cakes.

Blessed with a metabolism that means I can eat them until they come out of my ears, I eat a lot.

If someone paid me to eat cakes, I would gladly eat more.

But nobody is going to pay me to eat cakes. That would be stupid.

Certain young people love taking offence. They especially like taking offence on behalf of other people – in particular, minorities.

They take offence – on other people's behalf – from the moment they turn on their Twitter to the moment they collapse, exhausted by their own self-righteousness, at the end of a hard day being offended.

The idea of paying these people to be offended is as preposterous as paying me to eat cakes.

But that's what's happening at the University of Sheffield.

The university is to start "rolling out" training for students on "micro-aggressions".

"Micro-aggressions", in case you wondered are where you say something totally innocuous but it gets twisted through the warped prism of high-end political correctness into "raaay-cism".

So asking a Japanese person about sushi is a "micro-aggression". Confusing banana and plantain (they look almost identical) is "micro-aggression".

The concept of micro-aggression is like alchemy.

It turns things that are "not racism" magically into "racism", thus allowing everyone to get all cross and shouty.

Sheffield University will train students to become "Race Equality Champions" who will host discussion sessions about "how to spot and contest micro-aggressions".

Screw

According to reports, students will be paid £9.34 per hour as "race equality champions", working between two and nine hours each week.

That's a nice screw for being, basically, a snitch.

Professor Koen Lamberts, president and vice-Chancellor of Sheffield University, said: "We think it's important to be open and honest about racism, which is why we listened to our students and worked closely with our Students' Union and our BME committee to develop the Race Equality Champion roles to change the way people think about racism."

By "change the way people think about racism", the prof clearly means, "start looking for racism where there is none."

OK, there is racism in this country. We get that.

But considering the deliberate policy of the Left to hose down the country with immigrants – "rubbing the Right's noses in diversity", according to Andrew Neather, a former adviser to Tony Blair – our race relations are pretty good.

That's unlikely to be the case if student busybodies are clattering round campus tarring everyone with the racism brush.

And that's me reported. Saying "rat" and "brush" is racist, too.

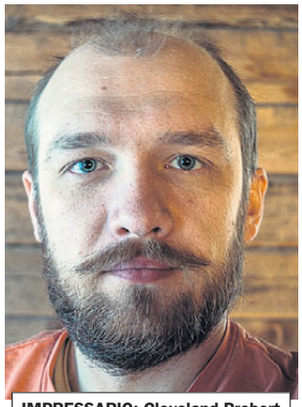
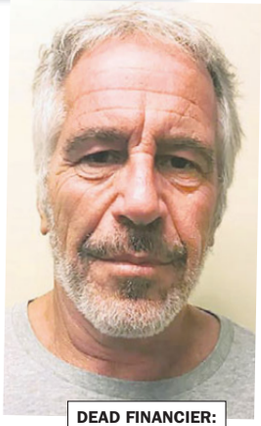
DO THEATRE TYPES HAVE NO MORALS?

EPSTEIN: THE MUSICAL



IMPRESSARIO: Cleveland Probert



DEAD FINANCIER: Jeffrey Epstein

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK

RIGHT-THINKING folk say they are DISGUSTED by plans to turn the sordid life of billionaire meganonce Jeffrey Epstein into a Broadway MUSICAL.

Impresario Cleveland Probert – who sparked outrage in 2015 with a touring PUPPET show based on the abuse scandal that's rocked the Catholic Church – reckons Epstein's life is ripe for the song and dance treatment.

Financier Epstein was found dead in his New York prison cell last August where he was awaiting trial on charges of noncing. He was 66.

His assassination was cleverly made to look like suicide.

In life, Epstein made friendships with the rich and powerful, from former US President Bill Clinton to UK Royal Prince Andrew.

And Probert reckons it's this that will make his show a huge hit.

Speaking from his New York "creative workshop", Probert said: "The whole dynamic of Epstein's life and his relationship with powerful men makes the story incredibly intriguing.

"And then there's the character of Ghislaine Maxwell – the former girlfriend who lured young girls into Epstein's web of depravity. I would love to cast Cher in that role but I think she's a bit old. Maybe Dorien off *Birds of a Feather* could do it?

"I honestly don't think it's tasteless at all.

"Epstein was a monster, but all good tales need a monster.

"We'll have to be careful when it comes to portraying his sudden death as obviously [redacted] and [redacted] were behind it but we can't say that, well, not until [redacted] is out of the White House, at least."

But Terry Furey, life president of anti-nonce pressure group Hey Paedo! Leave Those Kids Alone, raged: "It makes my blood boil that anyone could think this is a suitable subject for a musical.

"If this disgrace comes to the West End we'll picket it.

"The sick bastards."

Jailed for sex with foster son

A WOMAN has been sentenced to three months in prison for having sex with her 16-year-old foster son.

Lori Wilson, 48 (*above*), pleaded guilty to sexual seduction of the young teen.

Her hubby contacted a social services foster care licensing worker in May and admitted to lying during an initial investigation about the relationship between his wife and his foster son – telling the worker that the two had a sexual relationship.

The victim told investigators he had been removed from the home and taken to his biological mother's house after Wilson's husband walked in on tehe teen touching Lori in a sexual manner.

Wilson's husband told cops they gave the victim £160 and told him to lie about the sexual relationship.

In addition to jail time, she must also register as a sex offender.

10 things you might not know about BIG BEN

WILL the chimes of Big Ben bong on January 31 to mark Britain's departure from the EU?

Calls from Brexiteers for the famous bell to chime had been scuppered after the move was deemed to be too costly.

But Boris Johnson said the government was looking into a crowdfunding campaign to raise the £500,000 needed for the idea to go ahead.

He told the BBC: "We are working up a plan so people can bung a bob for a Big Ben bong."

But what do we really know about Big Ben?

Here are a few facts you may not know…

1 TOURISTS and locals alike often say "Big Ben" when referring to the landmark tower at the Houses of Parliament. Big Ben is, in fact, the bell inside.

2 IT is believed Big Ben was named after Sir Benjamin Hall, First Commissioner for Works, whose name is inscribed on the bell.

3 WARNERS of Norton, near Stockton-on-Tees, cast a bell for the tower in August 1856.

4 THAT bell cracked during testing in October 1857. A replacement bell was cast by George Mears at London's Whitechapel Foundry in April 1858.

5 THAT bell broke too. A crack developed in 1859, but the problem was solved when the bell was turned a quarter clockwise and chimed with a lighter hammer.

6 THE BBC first broadcast Big Ben's chimes to the country during a New Year's Eve radio broadcast in 1923.

7 BECAUSE radio waves travel faster than sound waves, someone listening to the chimes on the wireless hears them BEFORE someone stood at the base of the clock tower.

8 SO far, Big Ben has rung through the reigns of six monarchs.

9 EACH clock face on the bell tower is 23ft in diameter and composed of around 312 sections of opal glass. An hour hand is 9.2ft in length; a minute hand is 14ft.

10 ADDING or subtracting old penny coins from a pile on the clock's pendulum has the effect of minutely altering the rate at which the pendulum swings. A single penny will change the clock's speed by two fifths of one second per day.

Stalker battles cops after he's forced to strip!

A MAN broke into the home of a woman he was stalking then stripped naked while the victim's husband held him at gunpoint.

Police said they arrived at the victims' home and found Deron Randall, 24, naked in the living room with the resident pointing a shotgun at him.

During his arrest, Randall fought with officers, who used a Taser on him and a police dog bit him multiple times before he was finally taken into custody.

The victims, a married couple, said Randall started his stalking by making inappropriate comments on the woman's social media several years ago.

Two years ago he had a stove delivered to the victim's house and last week, he tried twice to break into the victims' home.

Randall, of Lake CoUNTY, Florida, has since been charges of aggravated stalking, burglary with battery, lewd and lascivious conduct and resisting with violence.

Tourism boost from nuddy beach signs

NUDISTS are calling on politicians to help make the city of Cork Ireland's "nude capital" – and boost its tourism.

New Irish laws, similar to those in the UK, have recently loosened former restrictions on public nudity – so the act of exposing oneself is not illegal unless it causes distress to another person.

While there are currently no officially designated nude beaches in Cork, Stephen Bolton, of the Irish Naturist Association, says there are a number of beaches in West Cork that attract nude bathers.

He said that signage in these type of areas would not only serve as a warning to those offended by nudity but also attract more tourists.

Stephen added: "These beaches have been here for centuries. This will just highlight what makes them unique."

Oli's shagging Elle Brooke!

THE AMAZING BOOBS THAT INSPIRED THE SHEFFIELD UNITED FOOTBALL CHANT

STRIKER: Oli McBurnie

SUCKING GOOD: Blonde shows off her BJ skills with a banana

SHEFFIELD LASS: Ellie

SHEFFIELD United footie star Oli McBurnie is the subject of a new terrace chant after a Twitter exchange with hardcore porn star Elle Brooke.

McBurnie scored the only goal in his side's 1-0 home win over West Ham earlier this month as the Blades moved into fifth spot in the Premier League.

He tweeted afterwards: "3 points and a goal... never in doubt enjoy your weekend bladesmen."

And porn star Elle tweeted straight back to him: "We all know you'll enjoy yours @oli_mcburnie."

He then tweeted back a kiss to the *Television X* star, who hails from Sheffield.

That led excitable Blades fans to speculate about a romance between Elle and the 23-year-old striker – with footage appearing on Twitter showing supporters chanting "Oli's shagging Elle Brooke, Oli's shagging Elle Brooke, nah, na, na, na", etc.

Social media fan Elle took to Twitter again to comment: "As if I've got my own football chant now."

There's nothing to suggest that Oli IS shagging Elle but who could blame him when you see the porn stunna's curves?

Elle has starred in a string of X-rated movies in which she sucks cock and slurps MINGE.

In one clip, entitled "Petite Blonde F**ked in the Woods by a Stranger", posted on the grumble-sharing site *PornHub*, Elle sucks off a well-hung stud somewhere in the English countryside before allowing him to insert his erect penis into her shaved private hole.

The lad then unleashes a torrent of scalding hot SPUNK into Elle's mouth, which she gargles for the camera at the close of the eight-minute clip.

One fan said: "F**k me, she's red hot!"

JUSTINE McNALLY

ROMPS IN DARK ROOM: McNally

SEX fraudster Justine McNally groomed a smitten schoolgirl online for more than THREE YEARS – by posing as a Goth lad called Scott.

Lesbian McNally's trusting victim had no idea she was talking to another female when they hooked up as youngsters on the internet.

As their web relationship blossomed, they finally met three-and-a-half years later when McNally, then 17, travelled from her home in Cambuslang, Glasgow, to visit the 16-year-old in London.

Dressed as 'Scott' she lured her victim into three sex sessions in a darkened bedroom – using a sex toy to keep up the pretence she was a boy.

She was caged for three years at Wood Green Crown Court in north London for six assaults.

Prosecutor David Markham told her trial: "She obtained consent to physical intimacy between them by fraud."

A jury heard McNally lodged with a friend of the victim's family when she travelled south.

The excited youngster – who was a virgin – even bought condoms as she fully expected to sleep with 'Scott'.

When they met, the schoolgirl offered to perform a sex act on McNally – but she declined and went on to sexually touch her victim, while refusing to remove her own clothes.

The romps took place in a darkened room and the girl was even duped into thinking she had lost her virginity to 'Scott' in the bedroom of a family friend's house.

Married

After three sexual encounters in March, May and August 2011, McNally cruelly promised her naive young victim that they would one day get married and have children.

The court heard how she was finally rumbled in November 2011 when the friend of the victim's family she was staying with became suspicious about Scott's true identity.

She rummaged through McNally's rucksack and discovered a sex toy, a bra and a size 12 girls' top.

McNally wept as she was jailed after admitting six counts of sexual assault by penetration.

GAYLE NEWLAND

GAYLE Newland duped her friend into having sex by pretending to be a man for two years.

The 25-year-old, from Willaston, Cheshire, disguised her appearance and voice, and persuaded the woman to put on a blindfold when they met.

They had sex 10 times until the complainant took off her mask and saw Newland wearing a prosthetic penis.

Sentencing her to eight years in prison in 2015, Judge Roger Dutton said that Newland was "an intelligent, obsessional, highly manipulative, deceitful, scheming and thoroughly determined young woman".

Newland claimed her accuser, also 25, always knew she was pretending to be a man as they engaged in role play while struggling with their sexuality.

The marketing manager was convicted of three counts of sexual assault at the complainant's flat in Chester.

Newland created a bogus Facebook profile in the name of Kye Fortune and took on the persona as she mimicked a man's voice to speak on the phone with the victim a number of times after their first contact in 2011.

The victim told the jury that when they finally decided to meet in February 2013, 'Kye' asked her to wear a blindfold, saying he was insecure about his looks after undergoing brain surgery.

They were said to have spent more than 100 hours together and the encounters would include the victim wearing a blindfold while they watched television, and even when sunbathing.

BLINDFOLD: Newland

CARISSA HADS

POSED AS TEEN BOY: Carissa

CARISSA Hads posed as a teenage lad online so she could have strap-on dildo sex with a 15-year-old girl.

Hads, 25, was sentenced to 87 months in jail after pleading guilty to the charge of travelling with the intent to engage in illicit sexual conduct.

Hads posed as an 18-year-old boy named James Puryear Wilson on MySpace and started a relationship with the teenage victim in 2010.

Authorities said that the pair communicated for more than a year before their first meeting.

She visited the victim at least three times and was finally arrested at the Pittsburgh International Airport by FBI agents on May 25, 2012, during one of her visits.

According to a State Police investigator, Hads, from Massachusetts, wore a back brace to conceal her breasts, and that she visited the 15-year-old at least three times.

The victim also took naked photos of herself and texted them to Hads on a mobile phone that the 25-year-old woman provided.

Hads then flew to West Virginia to finger and lick out the girl at her Lewis Co home, but did not undress.

Following Hads's arrest, police said they seized an artificial flesh-coloured penis from the front pocket of her trousers that she apparently used during an encounter with the victim.

CAGED: Hads

EVERY PARENT MUST READ...

daughter being sex-tricked by a lesbian in disguise?

BANGED UP: Gemma Watts (*above*) posed as a lad (*right*) to assault and groom teenage girl victims

SEX-MAD lesbian Gemma Watts, 21, travelled across the UK in disguise by train to meet girls, who believed she was their boyfriend and close to their own age.

She was sentenced to eight years in jail at Winchester Crown Court last week after pleading guilty to seven sexual assault and grooming charges.

The offences relate to four girls, including a 13-year-old from Hampshire and two 14-year-olds and a 16-year-old from Surrey, Plymouth and the West Midlands.

Police now believe there could be up to 50 victims.

But Watts was certainly not the first young lesbian to pose as a boy to wheedle her way into the affections – and more – of girls and young women.

Here we look at some of the notorious cases which will have every parent asking: "Is that nice young man all he seems?"

GEMMA BARKER

FOOLED PALS: Gemma Barker

GEMMA Barker didn't just pretend to be a boy – she pretended to be TWO boys.

What's more, her disguise was so convincing, she even fooled FRIENDS into having sex with her.

Two teenage girls, aged 15 and 16, believed they had found the perfect boyfriends in Connor McCormack and Aaron Lampard – who they believed were their age.

But their worlds collapsed when they realised that Connor and Aaron were not only the same person, but were in fact their friend Gemma Barker.

Guildford Crown Court heard how Barker, 20, duped the girls, their parents and police by wearing baggy clothes, hats and speaking in a deeper voice.

Even when one of her alter egos was arrested, it wasn't until officers gave her a male strip search that they realised 'he' was in fact a 'she'.

Alter-egos

'Aaron' and 'Connor' were born in 2009 according to fake Facebook profiles which Barker created to lure her teenage friends on dates.

She showed up on dates wearing loose-fitting clothes and hats to hide her true identity.

Barker, dressed as Aaron, even accompanied one of the girls to her family home and met her parents, who knew Gemma as a girl.

Her alter-egos became so complex that she even concocted elaborate back stories for them, telling one of her victims that Aaron had lost his mother in a car accident and his two brothers died, one from, leukaemia and the other in a drowning incident.

Judge Peter Moss said Barker had played with their minds and physically with their bodies, describing what she did as "sucking on their emotions".

Her cover was only blown when one of the girls removed 'Aaron's' hat while asleep and realised he and Connor, whom her friend was dating, were the same person. Even then she didn't recognise he was also her friend Gemma.

After 'Aaron's' supposed infidelity, the girls discussed the situation and contacted police.

When the net was closing in, Barker deliberately fractured her jaw and tried to blame another alter-ego, 'Luke Jones', for attacking her and forcing her to pose as 'Aaron'.

"On June 9, 2010, the officers arrested who they thought was Aaron Lampard,' said prosecutor Ruby Selva.

"He was patted down and searched by officers and taken into custody as a male but it was only as clothes were taken in the custody suite that it became apparent that it was a female – and this defendant."

Barker, of Staines, Middlesex, was jailed for two-and-a-half years.

Cara: I'm ready for taste of Paradise

By WENDY THOMAS
news@sundaysport.co.uk

BLONDE beauty Cara Brett is really looking forward to actor Ardal O'Hanlan being replaced in her fave telly show, *Death in Paradise*.

The 32DD beauty, from Hampstead, has given up watching the drama since the former *Father Ted* star took over from Kris Marshall.

But now he's set to leave, midway through the current series, the 28-year-old is willing to give it another go.

She said: "I just didn't think Ardal O'Hanlan worked and I really hope that Ralf Little pulls it off.

"It used to be one of my favourite shows on TV but not any more.

"So I've got my fingers crossed."

My perfect Sunday...

Lana Parker, 26, 32DD, from Reigate, Surrey

I'D LOVE 3-WAY ROMP IN SPACE!

SUNDAYS are without doubt my favourite day of the week – because I get to stay in bed ALL DAY!

And you can pull your mind out of the gutter, because it's not for sexy reasons – I use Sunday to binge watch telly.

I spent the last few months watching all of *Friends* on Netfix and before that I took in *Catastrophe* and *Derry Girls*.

But now, bizarrely, I am hooked on *Star Trek: The Next Generation*.

The first series was a bit meh, but it soon picked up and now I'm three seasons in and totally addicted.

By WENDY THOMAS
news@sundaysport.co.uk

Captain Picard is the best character on the telly, ever, in the whole of history.

There is no debate there – he is amazing.

And for a bald old man he's pretty damn hot, too!

Gorgeous

I love Data the android as well but I have to admit I do have a bit of a thing for Deanna Troi, who is bloody gorgeous.

If I was on the Enterprise I reckon I'd be begging for a steamy intergalactic threesome with her and Captain Picard!

LEGENDS OF PORN

PART 91 ABELLA DANGER

STUNNING Abella Danger was just 18 when she made her debut taking cock on camera for a living.

By PENNY MARSHALL
news@sundaysport.co.uk

Now 24, the Florida beauty has been a huge success – even starring in Disney babe Bella Thorne's porn directing debut *Her & Him*.

Speaking about her first foray into the adult business, she said: "The crew made me feel really comfortable, obsessing over my body and giving me compliments. That always helps.

"I truly loved that once the camera started rolling, this alter ego came out, this slutty little thing.

"I may have fallen into porn by accident, but it was meant for me."

And asked what she's learned most from her time in the porn business, she said: "I love sloppy blowjobs."

But it's not just cocks she loves. Abella is also partial to pussy.

She added: "I liked girls from a very young age. I like them more than men honestly. Dated one for over a year."

FAVE FILM: *Wonder Woman*
FAVE ACTOR: Matt Damon
FAVE HOLIDAY: France

FIRST TIME

HELEN: I was 17 and had been going out for four months with this guy who was 21. One day I just woke up feeling really horny and decided I wanted to lose my virginity that night. I even went out and bought new undies and had a bath before I went round to his place.

He was a really sweet guy and had bought champagne for the special event. We chatted and snogged for ages before going to the bedroom, then he totally took charge of the situation.

First he licked me out until I orgasmed, and then checked if I wanted to carry on. I was gagging for it by then.

It was slightly painful at first, but he was really gentle. After 10 minutes I was really enjoying myself.

We did it in five different positions, which I think is pretty good for the first time.

LATESHA: I'd only been seeing this guy for a few weeks when we did it, but it felt right. Looking back I probably should have waited a bit longer before we went all the way, but you don't think about that at the time.

There was nothing special about it, but I did orgasm, which according to a lot of my mates is pretty unusual.

He was round at my place as my parents had gone out. We hadn't planned to have sex, but we had got to the stage where I was tossing him off and he was using his fingers on me.

I was lying on top of him while we were kissing and I could feel how hard he was through my jeans. I was really wet just from dry humping him and just really wanted to feel him inside me.

He slipped a condom on and then eased his cock inside me. He was pretty big, so it took a while to get it in, but it felt fantastic. We only did it in the missionary position, but with him moving up and down on top, it didn't take long for me to climax. He couldn't hold back either, so we came pretty much at the same time.

ORAL PLEASURE

HELEN: The first lad I sucked a lad was a friend of a friend at a house party. We started snogging and the next thing I knew he'd undone his fly and his todger was hanging out.

He was already hard and it looked really big. I don't know what came over me, but I thought: "Why not," and started licking it and he told me to put it all in my mouth.

Luckily, I managed to pull away before he came and he ended up squirting his mess all over the bed sheets.

LATESHA: I gave my first blowjob to the same guy I lost my virginity to. He was quite well endowed, and the first time I almost got lock-jaw. He took ages to orgasm and I didn't realise at the time that you didn't have to put the whole thing in for the entire time.

I didn't really enjoy it, but the next time he told me to just tickle the end with my tongue and use my hand to wank him off at the same time. That was a much better technique and I started to enjoy giving them after that.

The first time he came in my mouth, I wasn't sure what to do so I just swallowed. It didn't taste brilliant, but it wasn't that bad either. Now, it depends on my mood. Sometimes I'll lap it all up, other times I'll spit it back out!

BUM FUN

HELEN That's something I'm not into, it just doesn't turn me on at all. Surely it must hurt like hell? A couple of boyfriends have tried going up my back passage, but they soon knew it wasn't going to happen. One of them didn't even ask me first, he just tried pushing himself in!

LATESHA: I don't know why everyone thinks it's really painful. With the right amount of lube – and the right dick – it can be fantastic. OK, you don't want someone who's got a really wide knob, but once it's in, it feels really good.

You've got loads of nerve endings back there and you can play with your clit at the same time. My biggest orgasms always happen when I'm having anal sex.

> **'I could feel how hard he was through his jeans – I was so wet and really wanted him inside me...'**

The first time was with the same guy I lost my virginity to but wasn't very successful. We tried again a few days later and it went in no problem.

I felt a bit like a porn star!

KINKY STUFF

HELEN: Now this is something I really love doing. I've dressed up as everything – nurse, college girl, dominatrix, virgin! It sounds a bit cheesy, but my favourite is pretending you're home alone and a burglar breaks in and surprises you.

I used to do it all the time with my last boyfriend. We'd pretend that I put up a bit of resistance but get so turned on when I felt his big hard cock through his pants that I relented.

Most of the time he used to throw me on the bed, turn me over and f**k me doggy style. I'm getting turned on just thinking about it again!

LATESHA: I don't mind dressing up in sexy undies or even a nurse's uniform, but I can't do the role play thing.

I once tried dressing up as a naughty secretary. My fella sat at the table downstairs and I came down in a pencil skirt with my blouse buttoned really low. But when it came to pretending I'd done something wrong and needed a good spanking, we both fell into a fit of giggles. We decided to forget the whole acting bit and he shagged me over the table, which was a big turn on for both of us.

Now I've got a thing about wearing a skirt when I shag – I like to leave it on and let the bloke push it up and even shag me while I've still got my knickers on.

OUTDOOR ACTION

HELEN: I went out with this guy a couple of years ago who was into dogging. I didn't know it when I met him, but after a few weeks he asked if I wanted to go for a walk in the woods and told me to wear something with easy access!

When I got there he led me to this secluded car park where there were people bonking in cars, and a load of blokes standing round watching.

He'd left his car there and wanted me to have sex with him in front of everyone – I told him to forget it and take me home!

But the next guy I met was completely different. We went hiking in Wales one weekend, and were walking through this field when I got an urge to bonk him.

It was a bit awkward because I was wearing shorts, but I took them off and we had a quickie behind this big tree.

LATESHA: A group of us went camping in France and found a watersports place. During the day we did all sorts – rafting, windsurfing and stuff. Then at night we got pissed in a local bar.

My fella and I decided to take a walk one night and found this little river with a bit of a waterfall. There was a bench nearby, so he sat down, I took my knickers off and straddled him. It was amazing!

FOOD FUN

HELEN: I love using ice when I give guys blowjobs. If it looks like we're going to have a big session, I'll put a couple of cubes in a glass by the side of the bed.

Then I'll blindfold him and start sucking his cock. Half way through I'll get a cube of ice, put it in my mouth and then carry on giving him head.

It's a bit of a shock for them at first, because of the cold, but they love it. I've never had a bloke yet who has said he doesn't like it.

If you want to make it even better then have a warm drink handy as an alternative, though if you've got sensitive teeth I'd give that a miss!

LATESHA: The only food I've ever used is whipped cream, out of a can.

An ex of mine was really into it. He loved spraying it on my boobs and fanny then licking it all off.

I didn't have any complaints, except it got a bit sticky at times.

Oh, I also had a jar of Nutella once so we tried that. I spread it on his balls, but it was really hard to lick off.

My tongue was throbbing afterwards, but he had a massive hard on so it did the trick!

Fifteen-year-old Imogene has spent years training as an aerialist and has now been offered the chance of a full-time job in Russell's Circus.

But to take it she will have to drop out of school, live alone and cook for herself. It's a big decision, but one her parents fully support.

Meanwhile, 14-year-old knife-thrower Edward is already earning serious money with his Wild West act.

OF THE TELLY

By BARNEY SAMUELS

It's all about the balls...

Live Snooker: The Masters – BBC2, 1pm

COVERAGE of the opening eight frames of the final from Alexandra Palace, London, where the best-of-19-frames match takes place.

Judd Trump dominated last year's corresponding session, racing into a 7-1 lead against seven-time champion Ronnie O'Sullivan, but neither will feature in the final this time.

With commentary and analysis from Steve Davis, John Parrott, Ken Doherty, Dennis Taylor, Stephen Hendry and John Virgo.

Inside Iceland: Britain's Budget Supermarket – C5, 8pm

SEARCHING for a high-end restaurant-style chip to add to their existing range, Iceland's chip buyer heads to Belgium to see how to produce a premium chip cheaply.

There's a look at the company's out-of-town bulk-buying spin-off called Food Warehouse, and how the supermarket chain is keen to cash in on the popularity of sea bass.

This has to be more interesting than it sounds.

The Great Pottery Throw Down – C4, 7pm

MUCH as in *Bake Off*, the challenges in *Throw Down* are getting increasingly obscure.

No chance of simply making a nice vase.

Last week, the potters were tasked with making a ceramic cafetiere, of all things.

Now, for the remaining 11, it's a hand-built chess set which, with 32 individual pieces, is a really fiddly challenge that requires exceptional time management.

Never mind. Any oportunity to ogle fit Melanie Sykes is worth a watch.

TUESDAY

Losing It: Our Mental Health Emergency – C4, 10pm

NEW series. Documentary following NHS staff in Nottinghamshire dealing with emergency mental health cases – including a woman with no history of mental illness who developed post-partum psychosis and attempted to kill herself, her husband and their newborn baby by driving her car into a wall.

The child and adolescent mental health team is confronted by an 11-year-old girl suffering from extreme panic attacks, suicidal thoughts and full body seizures, and have to immediately make the judgement of whether her stated intent to kill herself is genuine or a symptom of a more complicated diagnosis.

Inspector Morse – ITV3, 11pm

FIRST-EVER episode of the popular crime drama, starring John Thaw as author Colin Dexter's Oxford detective who treats his cases as intellectual challenges.

In this mystery, Morse is introduced to trusty Sergeant Lewis (Kevin Whately) and takes it upon himself to investigate the apparent suicide of a lady friend.

Co-starring Gemma Jones, Patrick Troughton, James Grout and Peter Woodthorpe.

Utterly brilliant, even all these years later.

DON'T MISS THIS!!!

Travels in Euroland with Ed Balls – Thursday, BBC2, 9pm

THE former MP heads to Europe to discover how the divisions exposed by Brexit are reflected across the EU, exploring the role that national identity and pride have had to play in fuelling the rise of right-wing populism across the continent.

In Holland's fishing towns of Den Helder and Scheveningen, a veteran fisherman explains how EU rules and regulations have made the job harder.

Balls is a lot more likeable as a TV presenter than as a politician.

THEKLA: GIVE ME MOORS OF THE GREAT OUTDOORS

SHE'S the hottest thing to come out of Lancashire since the hotpot.

But stunning Thekla Roth admits she actually prefers Yorkshire to her home county!

The 32-year-old beauty, from Lancaster, said the North Yorks Moors are some of the most impressive scenery in Britain and she loves nothing better than spending a B & B weekend there.

By WENDY THOMAS
news@sundaysport.co.uk

Thekla, who boasts 32C curves, said: "I know I'm supposed to hate Yorkshire but I can't help loving it – the place is just so pretty and it's much quieter than the Lake District.

"F**king outdoors in Gods country is my fave thing.

"Wow, if those hills could talk."

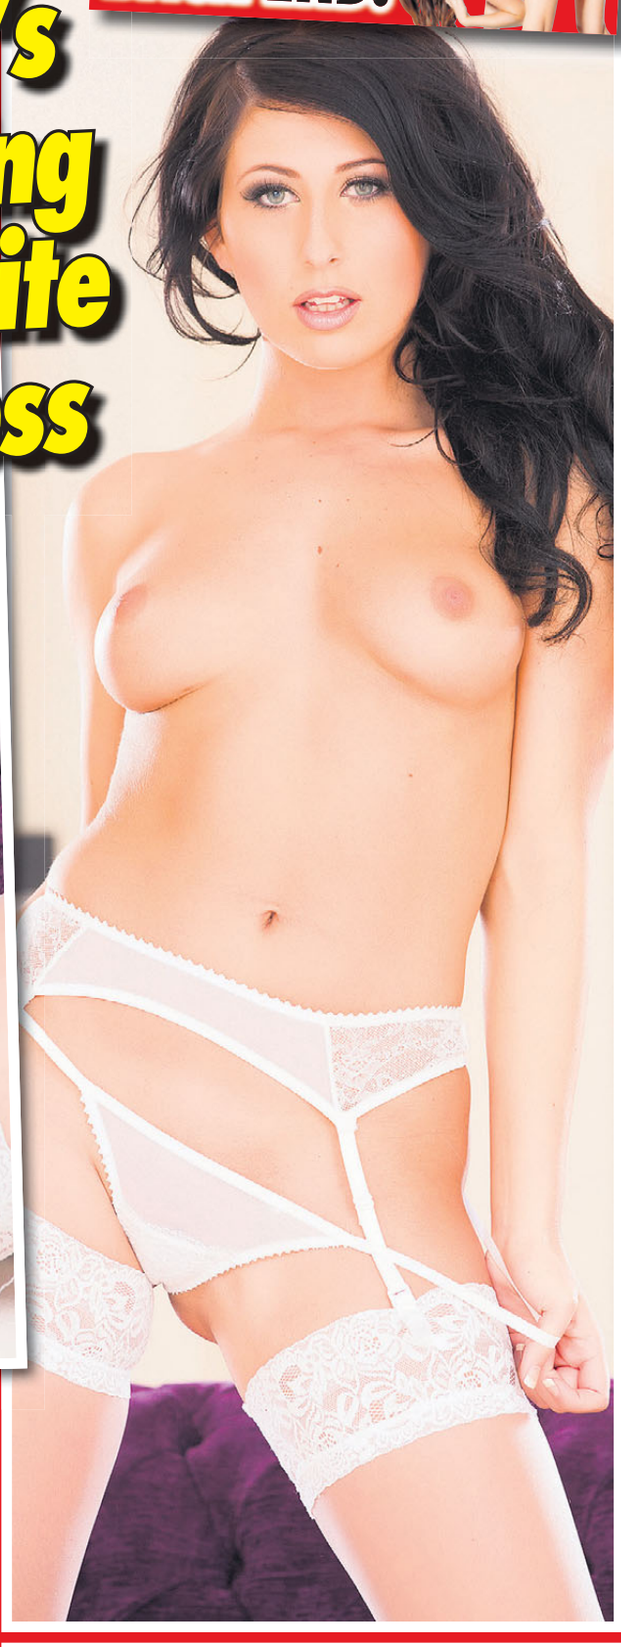
Sophie's dreaming of a white crispness



GORGEOUS Sophie Star is a bit of all WHITE, posing in these clean, crisp scanties!

The 25-year-old model, from Mersea Island in Essex, said: "You can keep your lacy black and red undies, as far as I'm concerned.

"There's something very sexy about looking fresh and virginal in crisp, white panties."

The 32C beauty added with a wink: "I'm not THAT virginal, though... just in case you were wondering!"

CHRISSY BEARS HER MOUNTAINOUS BOOBS

ORIGINALLY from a rural part of Hungary, Chrissy Harris knows a few tricks handed down by generations of her sturdy Magyar descendants.

And one tip that keeps her 36DD busters in great shape is smearing them in a lotion made from BEAR FAT, honey and goat's milk.

By WENDY THOMAS
news@sundaysport.co.uk

The 28-year-old said: "In my village we have no time for the Paris and New York cosmetics.

"The old people make their own from the things they find in abundance in the mountains.

"Lotion for the boobs is very important for me because I make lots of money from my breasts.

"But bear fat is very hard to get here in London as it is now illegal all over of EU.

"Thankfully I know an African magic man who sells it 'under the counter'!"

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I'M an attractive 26-year-old woman and have just become engaged to a great bloke. We are planning to get married soon, but I am having sleepless nights because of a dreadful secret I am hiding from him.

When I was 19 I lived with another guy and we ended up making a video of one of our sex romps following a boozy party.

He was a real stud and could shag for hours while I enjoyed multiple orgasms. We filled a three-hour video, including oral in the 69 position, straight missionary and anal sex.

Now I am scared the video, which he kept when we split, will turn up and ruin our plans.

Should I come clean and tell my future hubby all about it, or keep quiet and hope he never finds out?

DW, Lincs

Kelly says...
KEEP quiet and keep your fingers crossed.

Dear Kelly,

ME and my friend were pissed in London a few weeks ago and ended up in a seedy-looking biker pub for a lock-in.

There must have been 20 Hell's Angels in there and, as we are both 20-year-old blondes with big tits, we attracted a lot of attention.

After a couple of drinks I stood up and shouted: "Can anyone here satisfy two randy girls?"

In minutes there were 20 hard cocks around us and we were both pinned on the pool table. They all took turns to f**k us in every hole and we both agreed it was absolutely amazing.

Now they've moved us into their clubhouse and we've had more cock in two weeks than in the last two years.

Are we doing the right thing?

AL, Essex

Kelly says...
I'M not into hairy bikers, but if you are happy then who am I to judge?

Outdoor fun with nympho is just a pork in the park

Dear Kelly,

IT started off like any other evening. I went down to my local with the lads and tried to pull the big-breasted barmaid – no luck.

When it came to last orders we'd all had enough to drink and decided to go home after failing to pull any of the birds in the pub.

The usual path I take was flooded, so I climbed over a wall and cut through the park.

I was nearly home when I noticed a couple of blokes standing by the old boathouse.

Pumped

Being a nosy sort, I went over to have a look and couldn't believe it when I saw they were watching a middle-aged blonde having it off with two blokes.

I got chatting to one of the fellas and he told me that the men were shagging his wife and I could have have a go if I wanted.

The woman winked at me as I watched her sucking some bloke's nine-incher as she was being pumped from behind.

When it was my turn, I was rock-hard. She took my pants down and started to suck my throbbing tool.

I was so turned on that I exploded almost immediately down her throat.

She wasted no time massaging my cock back to hardness, eased it into her pussy and ordered me to ram her as hard and fast as possible.

After I'd shot my load again, I then watched as her hubby moved in and took her doggy-style.

She loved it as she was porked while four men watched.

Now we meet every week and I've shagged her loads of times. At least 10 men turn up, some just to watch.

Last week I even brought a couple of mates with me and they loved it.

We took it in turns to get a good sucking off this nympho before giving her pussy a pounding as her hubby egged us on.

But she's taken a fancy to me and wants to leave her hubby and move in with me. What do you think I should do?

DM, Staffs

Kelly says...

TELL her to stay with her husband so you can enjoy your pervy park fun.

Dear Kelly,

ME and my girlfriend have been together for three months, but I'm getting worried because she's very rough when we have sex.

We often masturbate each other – but she almost pulls my bellend off when she gives me a wank and now I don't enjoy it.

Advice please.

NT, Herts

Kelly says...

TRY explaining to her that your penis is not a baseball bat!

I bet I can satisfy this ol' tw*t of yours... LEHRRRRR! LEHRRRRR!
LAP! LAP! LAP!
OOH! that's it! Go for your life... now it's my turn to lick your snatch!

Kelly says...

THERE'S a sure-fire ratings winner!

PRIVATE SHOPS UK

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

Jordan loves a daily rub!

By JAYNE FERGUSON
news@sundaysport.co.uk

BUSTY Jordan Pryce is sticking to her New Year resolution – to FINGER more!

The 29-year-old babe, from north London, made a 12 o'clock pledge to finger her fanny and botty hole at least once a day.

She told us: "I'm often busy and don't have time for sex every day.

"But without at least one orgasm a day, I get ratty and shirty with people.

"So I said to myself – I must wank more."

The 32FF stunna added: "I've got two vibrators but often just use my fingers.

"And, yes, they go in ALL holes!"

JUVE GOTTA COME!

Italians target Pogba deal

PAUL Pogba's former Juventus team-mates are pleading with him to come back to Turin.

Reports in Italy suggest that the Italians are unleashing the big guns in a bid to re-sign the Man United midfielder.

Paulo Dybala and Gonzalo Higuain are trying to persuade Pogba that the Old Lady is the ideal club for him.

By BRENDAN MACKIE

There is strong talk that the Frenchman will move to Real Madrid this summer — and he may have played his last match for United. He is currently on the sidelines recovering from an ankle operation.

Pogba was a major success during his last spell with Juventus between 2012 and 2016. It was enough for the Reds to shell out £89m to bring him back.

United would want at least that much to sell him.
